QED SILVER ANNIVERSARY-XT SPOFC WITH X-TUBE™

Pure science - sensational value

The award winning Silver Anniversary-XT speaker cable delivers a sonic purity previously thought impossible in this price range. The class leading performance is achieved by incorporating QED's multi award winning X-Tube™ technology into the legendary Silver Anniversary series.

Silver Anniversary-XT is one of the many award winning cables that form the QED speaker cable range. Whatever your requirement, QED has the optimum cable solution.

For optimum results, we recommend Silver Anniversary-XT cable is terminated with QED Airloc™ speaker plugs.
